

Yard Toys

➤ Class Reps reported that students were “bored” on yard.

➤ We had a high rate of injuries at yard time.

➤ Our Parent’s Committee got on board and provided Yard Boxes with skipping ropes, speed ladders, stilts, hoops and balls.

➤ Boys have more opportunity to develop game-playing and social skills now.

➤ Injuries are less frequent.

➤ Behaviour is improved.

➤ Our yard is a hive of activity now.

Welly Throwing

A new and unusual activity during big break!

Scatterball and Four-Square

These two games were so popular during PE class that the Class Reps proposed playing them at lunch time in the yard.

Senior boys were trained up to organise these games, and they are doing a great job, organising a schedule and supervising teams.
