

Scoil Bhríde, Ballydehob, Co. Cork

Our New PE Uniform

Pictured below are the first and second class pupils of Scoil Bhríde, Ballydehob, Co. Cork in their new PE uniforms. Scoil Bhríde is a four teacher school with 94 pupils and achieved its first active flag in June 2016. As part of our school programme to get the children more active, we are now teaching PE class twice a week. Our school decided to introduce a PE uniform for the first time and to incorporate the active flag crest, along with our school crest, on its sleeve. The whole school community is delighted with how the uniform looks. Most importantly the children are very proud to wear it.

Active School Week (2016)

Pupils in Scoil Bhríde are thoroughly enjoying their involvement in the Active School Flag programme. We ran our first Active Week in June 2016 and look forward to running an equally successful Active Week in 2017. The wide variety of activities that they are involved in include yoga; the GloHealth Mile Challenge; orienteering; zumba; circuits; tug of war; spike ball and GAA to name but a few.
